27" Deep x 60" Wide x 72" High

Reliability & Convenience

Filled with propane and safety checked, the exchange cylinders are ready for delivery: a new source of convenience for customers that means added traffic and profit for you.

Support

Continuous contact by expert ProGas Personnel on inventory, billing, and deliveries. Deliveries arriving continuously during the entire year based on individual store usage.

Online Listing!

Along with providing a quality product, great service and support, and a convenient way too bring in extra traffic and cash flow. Your store will be listed on the web at www.myprogas.com under the exchange locations.

The easy way to add value, convenience, traffic, and profit. With **Propane Express Cylinder Exchange**, users can drop off their empties and pick up competitively priced Propane Express refills that have been safety checked and reconditioned to be good as new. If you're looking for a new way to build your bottom line and keep your business growing, consider the advantages of the **Propane Express Cylinder Exchange Program**. ProGas Inc. takes care of the reconditioning, the safety inspections, the inventory, the cabinets, the deliveries, the stocking and even the signage. You enjoy the extra traffic, customer satisfaction, and profit. **\$**

Propane Express

It is the intent of ProGas, Inc., a distributor of propane grill cylinders, to make this product available to the "Backyard Barbecue" through our ever expanding network of "PROPANE EXPRESS Cylinder Exchange" locations.

Our cylinders are filled, inspected, washed or freshly painted prior to delivery, making sure they not only look good, but are safe to use. We have scheduled routes to alleviate you calling for delivery. If, per chance, you should use all cylinders prior to delivery, please call our toll free number (866) 724.7262 and we will schedule your next delivery.

A trained representative will look at each location prior to placement of a cabinet to make sure all national and local codes will be met. Placement of any barriers to avoid vehicle impact will be the responsibility of the store as will fees or permits.

Don't Delay! Sign Up Today!

and become a "PROPANE EXPRESS" dealer.

It's as easy as 1, 2, 3

1. The customer goes to the counter and informs your clerk they need a gas grill cylinder.
2. Your clerk accompanies the customer to the exchange cabinet, verifies the valve type, then exchanges the cylinder, and returns to the counter with the customer to collect the customer's money.
3. The customer returns to the exchange cabinet and picks up the exchange cylinder.
